ANNUALIZATION

We are in an annualized school for most courses. Therefore, all grades of 50% and 55% are eligible for reversal if the student passes the following semester's course with a 65% or above.

Listed below are the subject areas and their Annualization status:

1. **English** - All courses may be annualized

2. **Science** - All courses may be annualized
Students must pass all labs to be eligible to take the regents.

3. **Social Studies** - Global History courses and U.S. History courses may be annualized.
Economics and Government are **not** annualized as these are semester courses

4. **Foreign Language** - All courses are annualized

5. **ESL** - None of the courses are annualized. All year long we will offer all levels
